**Big Idea:** We can love others because Jesus loves us.

**Scripture:** 1 Peter 2:17 *Show proper respect to everyone. Love the family of believers.*

**Discussion:**

- Today we talked about how we can love others because Jesus loves us.
- Let's take a look at our verse again!
  - 1 Peter 2:17 *Show proper respect to everyone. Love the family of believers.*
- What does it mean to respect someone?
  - Respect means that you think and act in a way that shows others you care about their feelings and their well-being.
- In the verse it says we need to respect everyone. What do you think that means?
  - Everyone means everyone! This includes people we like and people we don't like. We are to respect everyone because God loves everyone.
  - When we love and respect others, we show them God's love.
  - We don't deserve God's love but He loves us anyway. He loved us so much that He sent His only son, Jesus to die for our sins.
  - If He can love us even though we sin against Him all of the time, then we can love others. How can you show God's love for others this week?

**Prayer:**

Let's pray together: Dear God, thank you for always loving us even though we mess up. Help us to love others and respect them even when it is hard. We love you God. Amen.

**Activity:**

This week's activity is to try to do something nice for someone else. It could be as simple as writing a nice note to someone, or as elaborate as putting together a fun care package for a neighbor or family member. Try to share some love this week!
