Big Idea: God the Father, Jesus the Son, and the Holy Spirit are 3 in 1.

Scripture: Titus 3:5 *He saved us by washing away our sins.*

Discussion:

- Today we talked about how each of the three Persons of the Trinity do specific things.
- Let's take a look at our verse again:
 - Titus 3:5 "He saved us by washing away our sins."
- Can you remember who the three parts of the Trinity are?
 - God the Father, Jesus the Son and the Holy Spirit are the three Persons in the Trinity. All three are one God but they are also each their own Person.
- Each Person in the Trinity has a special role or job. In today's lesson, we talked about an architect, a builder and the power tools. Do you remember which Person had which job when the world was created?
 - God the Father is like the architect. He is fully God and He plans everything that has happened and will happen. Jesus the Son is like the builder. He is fully God and the world was created *through* Him. The Holy Spirit is fully God and He is like the power tools. He is the power by which Jesus created the world!
- These aren't the only roles that the Trinity play. Can you think of some other things that God, Jesus, and the Holy Spirit do?
 - God listens to our prayers and answers them. He is holy, all-knowing and everlasting.
 - Jesus is our Savior. He is holy and perfect and He died to save us from the punishment we deserve for our sin. Because He died, we can have eternal life with God.
 - The Holy Spirit is our helper and guide. He is in each of us when we follow Jesus. He helps us know what to do in sticky situations.
- This is all really hard stuff to understand, but just remember that God is three in one. God the Father, God the Son and God the Holy Spirit. Let's pray.

Prayer:

Dear God. Thank you for loving us and creating us. Help us trust in you and your power. Thank you for sending Jesus to be our Savior and for giving us the Holy Spirit to guide us through life. We love you God. Amen.
